We can do **ANYTHING** and **EVERYTHING**.
(rug-related)

Because we produce close to home, in **Europe** only...
... we can **customize** our high quality products
... while maintaining **quick** production processes
... and **fast** delivery times (±5 weeks).

To give you an idea of what the possibilities are,
we created this document in which you can find all **options** you have
on things to be decided when customizing your rug.

We can make **your** high-quality rug design exactly the way you want it to be
made. And we can do it **fast**.
