COLORS

All colors in this box are available in thick wool yarn. Colors marked with a * are also available in thin wool yarn.

Colors marked with ^{NW} are natural wool colors. This yarn is unbleached, undyed and comes directly from the sheep. Therefore small differences in color may occur. This is just a small part of our entire wool and natural wool color range.

Is there a specific color you are looking for? Contact us! We may have it available.

If not: custom colors can be labdyed for rugs from 12m² and over.
