HOLDER™

Overview:

- Mobile: attaches securely to a tablet; so no reason to detach between uses.
- Universal: use with any cased or uncased tablet.
- Easy: attaches to a tablet with interlocking 3M Dual Lock™ rings that won't separate unless the user wants them separated.
- One-handed: carry and hold a tablet with one hand, to leave the other free.
- Adjustable: hand strap fits any hand size.
- Lightweight: weighs approximately 3 oz, so adds virtually no weight to tablet
- Protective: use as a standalone holder or in coordination with a hard-shell case.
- Future Proof: switching tablets? Remove the Handeholder from one tablet, put a ring on the new tablet and reconnect.
- Accessorize: many accessories are available to add functionality through the Handeholder, with more in progress.
- Versatile: Carry a tablet securely with a hand tightened in the strap, or use the Handeholder as a hand grip.
- Comfort: The hand plate is molded to better fit the human hand and curve the fingers down around the holder for a more natural resting position.

Handeholder Products, an innovative designer of USA-made tablet gear, has provided tablet holding solutions since 2010 with the launch of the original Handeholder™. Now, introducing the new and improved Handeholder. Designed for secure and comfortable use with tablets of all sizes, and cased or uncased, the upgraded Handeholder now boasts increased comfort, fit, and modern styling.

Whether used in a business or retail, or for lighter home-based use, there's no safer or more comfortable tablet hand holder.

Brand awareness made simple.

The nature of the Handeholder's strap material makes it easy to add custom branding and/or logos. Contact us for details and pricing.
