

Conditions of Withdrawal

Withdrawal

You have the right to cancel the contract within fourteen days without giving any reasons.

The withdrawal period is fourteen days from the date on which you or a third party named by you, which is not the carrier, have taken physical possession of the goods. To exercise your right of cancellation, you must notify us, daviswear (Tina Davis, Weisenauer Strasse 43, 65428 Ruesselsheim, Germany, telephone +49-(0)6142-964275) by means of a clear statement (eg, delivered by letter to Tina Davis, Weisenauer Strasse 43 , 65428 Ruesselsheim, Germany or an e-mail to withdrawal@daviswear.de) of your decision to withdraw from this contract.

It is sufficient for you to send the message of withdrawal before the withdrawal period ends.

Effects of withdrawal

If you withdraw from this contract, we will return all of the payments that we have received from you, including delivery costs (with the exception of the additional costs arising from the fact that you have chosen a more expensive type of delivery other than the one offered by us), and must be repaid immediately at the latest within fourteen days from the date on which we received your notice of cancellation of the contract. For this repayment, we use the same method of payment that you used for the initial transaction, unless you explicitly agreed otherwise; in any case, no fees will be charged in connection with the repayment.

We may withhold the reimbursement until we have received the goods back or until you have provided proof that you have returned the goods, whichever comes earlier.

You have to return the goods promptly and in any event not later than fourteen days from the date on which you notify us, daviswear (Tina Davis, Weisenauer Strasse 43, 65428 Ruesselsheim, Germany, telephone +49-(0)6142-964275) of your withdrawal from the contract. The deadline is met if you mail the goods back within the period of fourteen days.

You bear the cost of returning the goods.

You only need to pay for any diminished value of the goods, if the deterioration in value is due to faulty handling of the goods on your part, when dealing with them. We recommend that you wear your underwear, when trying on the items and treat them in a manner that you would treat and handle them when trying them on in a store so that the items will be clean and undamaged upon return.

Should there have been any recent changes of the German Distance Selling Act, we will fully abide by the new terms thereof.
