

EVO[®]

As an award-winning monitor arm, EVO[®] provides ergonomics and space savings in a sleek monitor arm. EVO[®] offers one-touch monitor adjustment and unique Better Balance[®] Technology to provide true constant force across the arm's entire range of motion. It's easier than ever to mount a flat panel monitor while complementing any workspace with EVO's modern design.

FEATURES

- The monitor mount features a sleek and modern design to complement the workspace.
- Desk monitor mount includes an integrated handle for easier setup; clamp the arm to the desk edge, through grommet hole or bolt through desk.
- The height-adjustable mount extends up to 18.6" and collapses to just 2.4".
- Easily rotate the flat panel monitor for portrait or landscape viewing.
- Arm has passed testing at FIRA International Ltd for standard PP034:2003 - Severe Use.
- Mount design includes a cable management system that keeps cables tucked beneath the monitor arm.
- Quick-install VESA adapter saves time at monitor arm setup.
