WINSTON WORKSTAITION®

**Energizing your body.
Inspiring your mind.**

Have more than two monitors? Winston Workstation is the only sit-stand that accommodates three and four monitors allowing users the health benefits of increased standing and the productivity of multiple monitors.

Highly productive companies and power users will appreciate the increased productivity offered by using the triple or quad Winston Workstation. Easily turn any existing desk into a multi-monitor sit-stand workstation in minutes.

FEATURES

- Designed to accommodate standing work without the distraction of unwanted movement.

- Large surface and convenient storage tray allow you to bring all necessities with you when you stand.

- Retrofit your existing desk into a healthy workspace with three easy mounting options: freestanding, desk clamp or thru mount.

- Features a 17" range of vertical height adjustment and a locking cylinder to keep the workstation in place. No manual adjustment needed.

- Cable clips in the column and beam keep the cables organized and out of the way.

- Winston is assembled in the USA using components created through a green manufacturing process.
