

Information about returns

Returns

You have the right to cancel/withdraw your order or any part of it within, 14 days after receipt of your order without reason. You will be credited the full amount per article. If you cancel the entire order, charged shipping costs are also credited. Only the costs for the return from your home to us are for your own account. Products must be returned to us in the original packaging (if reasonably possible) and condition. To use this right, please fill out the form below and return via service@reeraf.nl or via post.

Exceptions

The right of withdrawal is not possible for products:

- which are sealed;
- which have been made to the consumer's specifications by the entrepreneur;
- that are clearly personal in nature;
- which can not be returned because of their nature;
- which can quickly deteriorate or expire;
- whose price depends on fluctuations in the financial market over which the trader has no influence;
- individual newspapers and magazines;
- audio and video recordings and computer software of which the consumer has broken the seal.

Payment

You will receive your money back within 14 days on the same account as you paid us. You can also order any other product. Any price difference will be settled with you.
