SYNTIX GEARMAX – DGP 75W140

SYNTIX GEARMAX – DGP Full Synthetic LS Gear Oil – 75W140

With Dynamic Gear Protection (DGP), this is a full synthetic high performance low friction gear and limited slip differential oil. The oil is a combination of a high quality synthetic base oil and innovative additives, resulting into a high performance level and an extreme load-carrying capacity in all conditions. This makes SYNTIX GEARMAX perfectly suited for a wide range of gears and hypoid gears with LS in competition and road use cars. Its characteristics ensure maximum protection at extreme high loads and thus contribute to a longer life span of the running components.

The essential benefits :

- extreme load-carrying capacity
- outstanding high-temp stability
- excellent anti-stick-slip characteristics
- outstanding oxidation stability
- special addidivation for motorsport endurance
- enduring protection against corrosion and deposits
