Environmental precautions:	Do not let the product enter drains.
Methods for cleaning:	Absorb in absorbent and shovel into waste container.

7. HANDLING AND STORAGE

Handling:	Keep away from food and drink.
Storage:	Store in a dry place at +5 °C to 30 °C. Avoid long-time sun exposure.

8. EXPOSURE CONTROLS

Eye protection:	No special protective measures needed while normal using.
Hand protection:	No special protective measures needed while normal using.
Hygiene measures:	No special protective measures needed while normal using.

9. PHYSICAL AND CHEMICAL PROPERTIES

Appearance:	Cream
Colour:	White
Odour:	Characteristic
Melting Point:	Not determined
Boiling Point:	Not determined
Density:	0.98
pH:	6.0-7.0
Solubility	Insoluble in water
Viscosity	Not determined

10. STABILITY AND REACTIVITY

Reactivity:	Stable under normal conditions (see section 7)
Stability:	Stable under normal conditions (see section 7)
Hazardous reactions:	None known
Conditions to avoid:	Do not keep at temperature above 30 °C. There are no known conditions that results in dangerous situations.

11. TOXICOLOGICAL INFORMATION

Thorough investigation (including the 48 h semi-occlusive patch-tests and the microbiological tests) has been carried out by qualified specialists to ensure harmlessness of the product. All results combined in Safety Assessment Report according REGULATION (EC) No 1223/2009 on cosmetic products.

Any noxious effects on human health are not to be expected in normal use. Furthermore the product is intended to restore work-stressed human skin.

The product has not been tested on animals.

12.ECOLOGICAL INFORMATION

Toxicity:	Not applicable (see section 11)
Persistence and degradability:	No data available
Bioaccumulative potential:	No data available
Mobility in soil:	No data available
Results of PBT and vPvB assessment:	Where are no ingredients classified according to Annex XIV of Regulation (EC) No.1907/2006 concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH).

13.DISPOSAL CONSIDERATIONS

Must be disposed or incinerated in accordance with local regulations.

14.TRANSPORT INFORMATION

Not dangerous according to transport regulations.

UN Number	Not classified for transport
UN proper shipping name	Not applicable
Transport hazard class	Not applicable
Packing group	Not applicable
Special precautions for user	In terms of disposal considerations please see section 13.
Transport in bulk	Not applicable in accordance MARPOL 73/78, regulation 6, Annex II

15.REGULATORY INFORMATION

The product is manufactured and labeled in compliance with REGULATION (EC) No 1223/2009 on cosmetic products.

The product is exempt from the Classification, Labelling and Packaging in accordance Regulation (EC) No 1272/2008.

16. OTHER INFORMATION

The above information is believed to be correct but does not purport to be all inclusive and shall be used only as a guide. The information in this document is based on the present state of our knowledge and is applicable to the product with regard to appropriate safety precautions. It does not represent any guarantee of the properties of the product.

Due to our intellectual property right on the product we admit a possibility to change the composition. We assure the MSDS will be amended as soon as possible.

Moreover the customer is responsible for any harmful consequences in case of improper using.
