

## Your logo on a tote? Quick printing service in Holland

Tote or calico we call them. The simple but incredible handy bag, very suitable for promotional purposes of retail, museums, festivals, bars&restaurants and more. The bags are made of 100% GOTS certified organic cotton and available in unbleached and black. Width is 38cm, height 42cm, handles 70cm, the fabric weighs 160gsm.

By a cooperation with two textile printers in Holland we can supply you very fast and easily.

For printing we offer two possibilities:

- 1) **GOTS certified.** This bag has a GOTS certified print and a label with the GOTS logo and certification number of Bo Weevil CU005007.
- 2) **Sustainable.** The inks used for printing are water based inks and the bag is supplied with a label mentioning 'organic cotton'. Due to the print the bag cannot be supplied with a GOTS label.
