

shoptec
IDEAS MADE FROM STEEL®

**Pharmacy system
medic storage**

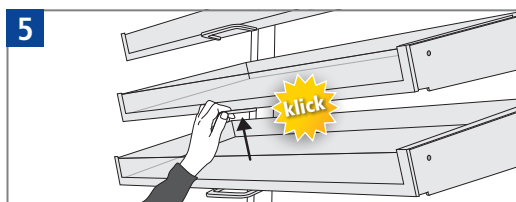

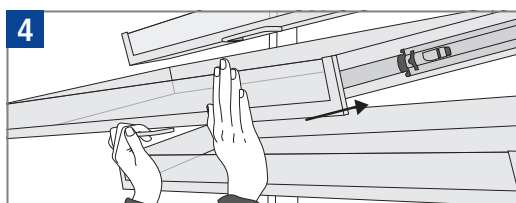

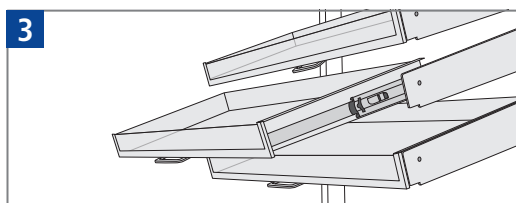

Overview of the system

The shoptec medic storage pharmacy system is optimally matched and very simple to install. The installation can be done easily even with basic knowledge. Each module offers maximum space with up to 12 extendable shelf levels.

The modules are simple to connect to one another, so that the desired space requirements can be individually adapted. The inclination of the shelves allows a good view of the goods at all times, enabling the fast, error free picking of the desired products.

The audible engaging and disengaging of the shelves by pressing the handle down allows the safe and convenient operation of the system at all times. When unlatching and pulling out the shelves at head height, we recommend that you additionally support the front with your other hand.

Version with integrated PC workstation

Recommended 2-handed operation

Optimal down to the minutest detail

The system components offer even more comfort: Clear acrylic fronts ensure an unhindered view of the products at all times. The picking aids extend the possibilities still further: horizontal worktops can be pulled out at an ergonomically comfortable height where you can deposit and sort the removed goods.

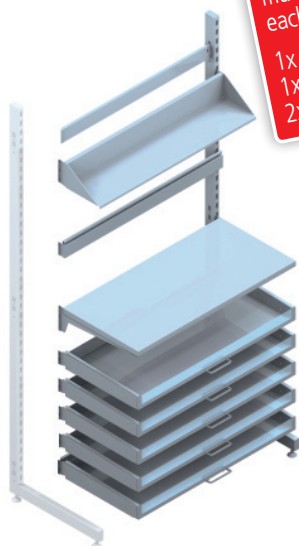

Convenient removal of goods

Drawer extenders in a stable design with ball bearings guarantee optimum functionality and longevity of the components. The integrable PC workstation with further space for setting the goods down rounds off medic storage.

Sets

All shelf units are supplied with **1 shelf stand**. The following must be ordered in addition for each additional unit:

- 1x shelf stand
- 1x wall distance holder
- 2x adjustable feet

Consisting of:

- 1x single sided gondola
- 2x connection bar, plug-in
- 1x wall distance holder rigid
- 2x adjustable foot
- 1x book shelf
- 1x support rail with slat-wall profile
- 1x worktop
- 2x support for worktop
- 5x drawer, extendable, inclining

Shelf unit, worktop, 5 drawers

centre-to-centre dim.: 1000 mm, drawer extender: 400 mm

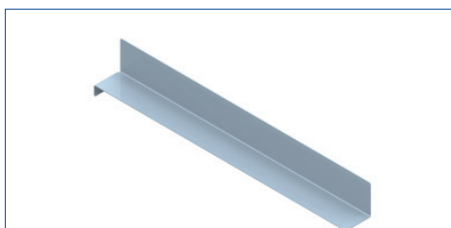

Picking aid, extendable, height 55 mm

20012-00701 depth: 350 mm
centre-to-centre dim.: 625 mm, drawer extender: 300 mm

20012-00702 depth: 450 mm
centre-to-centre dim.: 625 mm, drawer extender: 400 mm

20012-00703 depth: 350 mm
centre-to-centre dim.: 1000 mm, drawer extender: 300 mm

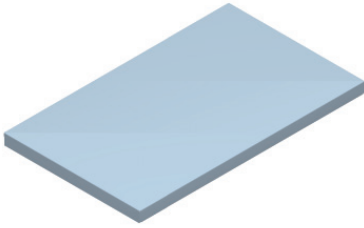

20012-00704 depth: 450 mm
centre-to-centre dim.: 1000 mm, drawer extender: 400 mm

Partition plate for extendable drawer

20012-00110
height: 35 mm, depth: 350 mm

20012-00111
height: 35 mm, depth: 450 mm

Worktop, height 30 mm

20012-00711

centre-to-centre dimension: 625 mm, depth: 400 mm

20012-00712

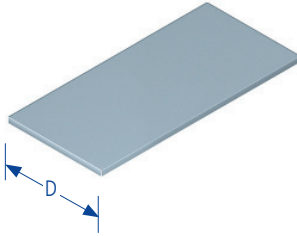

centre-to-centre dimension: 625 mm, depth: 500 mm

20012-00713

centre-to-centre dimension: 1000 mm, depth: 400 mm

20012-00714

centre-to-centre dimension: 1000 mm, depth: 500 mm

TOP shelf, height 25 mm

20012-00721

centre-to-centre dimension: 625 mm, depth: 350 mm

20012-00722

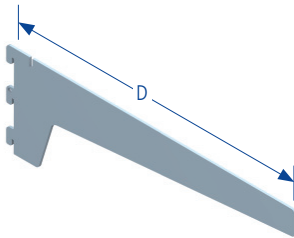

centre-to-centre dimension: 625 mm, depth: 400 mm

20012-00723

centre-to-centre dimension: 1000 mm, depth: 350 mm

20012-00724

centre-to-centre dimension: 1000 mm, depth: 400 mm

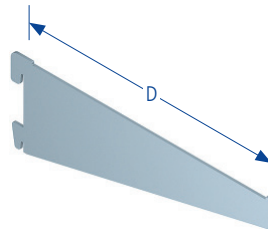

Support for worktop

20012-00718

depth: 400 mm, 3 hooks

20012-00719

depth: 500 mm, 3 hooks

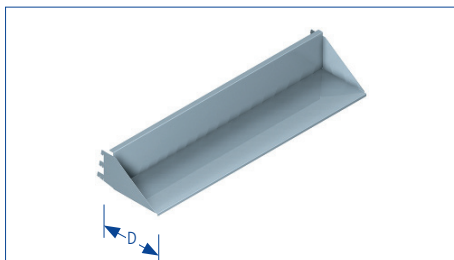

Support for TOP shelf

20012-00728

depth: 350 mm, 2 hooks

20012-00729

depth: 400 mm, 2 hooks

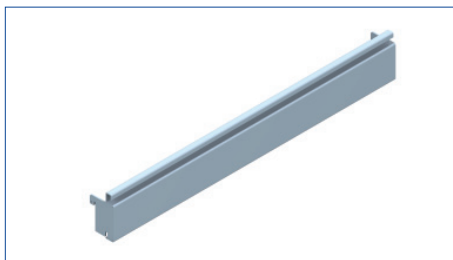

Book shelf, height 130 mm

20012-00731

centre-to-centre dimension: 625 mm, depth: 200 mm

20012-00732

centre-to-centre dimension: 1000 mm, depth: 200 mm

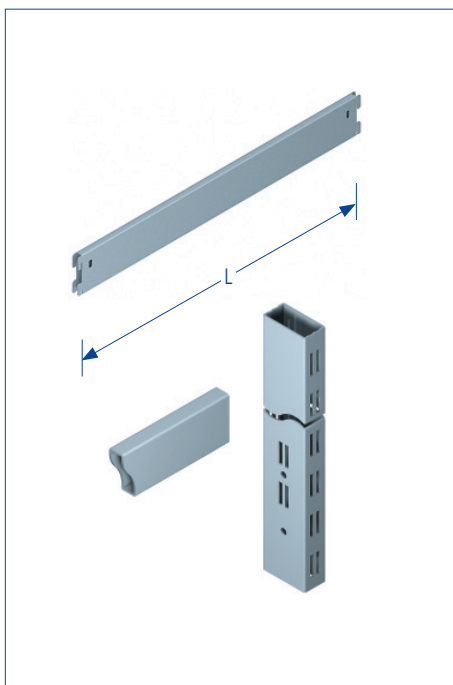

Support rail with slat-wall profile

20012-00736

centre-to-centre dimension: 625 mm, height: 87 mm

20012-00737

centre-to-centre dimension: 1000 mm, height: 87 mm

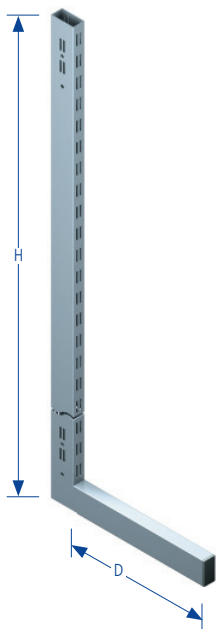

Connection bar, plug-in, for width 30 mm

20012-00745

centre-to-centre dimension: 625 mm, length: 595 mm

20012-00746

centre-to-centre dimension: 1000 mm, length: 970 mm

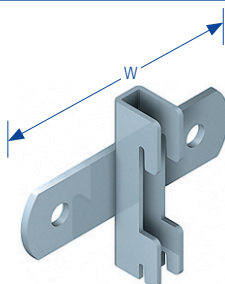

Single sided gondola 60 x 30

20012-00741

height: 2115 mm, depth: 400 mm, DL 50

20012-00742

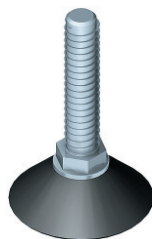

height: 2115 mm, depth: 500 mm, DL 50

Wall distance holder rigid

20012-00740

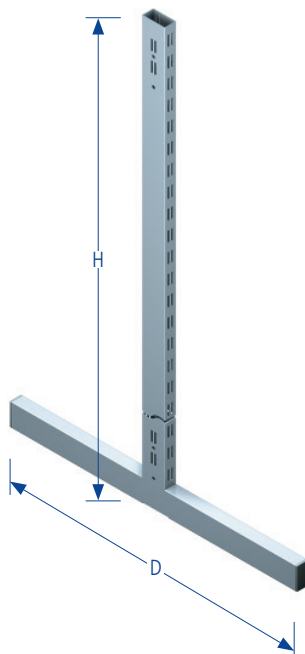

width: 100 mm, 2 hooks

Adjustable foot

13000-00000

height: 70 mm, Ø: 45 mm

Double sided gondola 60 x 30

20012-00743

height: 2115 mm, depth: 860 mm, DL 50

20012-00744

height: 2115 mm, depth: 1060 mm, DL 50
