The image shows the login screen for the iSmartAlarm app. At the top, there is a logo consisting of a green house icon with a white door and the text "iSmartAlarm™" in a grey sans-serif font. Below the logo is a form with several fields and buttons. The first field is a dropdown menu for the country, currently set to "Belgium" with the country code "+32" to its right. Below this is a field for the "GSM" number. The next field is for the "Password". Below the password field are two options: a checked checkbox labeled "Remember Me" and a link labeled "Forgot Password?". A large green button with the text "Log In" is positioned below these options. At the bottom of the screen, there are two buttons: "Create Account" and "View Demo", separated by a vertical line. The "Create Account" button is highlighted with a red rounded rectangular border.
