

INVERSO

Inverso features unique blend of ingredients that target and remove dried on milk residues from milk jugs, pitchers and steam wands. Inverso is also a brilliant crockery restorer, cleaning and de-staining heavily soiled and browned crockery.

FEATURES & BENEFITS

- Non-hazardous formulation according to the requirements of the National Occupational Health and Safety.
- A product specifically designed to remove baked on milk fats.
- Leaves crockery sparkling after soaking and rinsing.
- Very economical to use with around 200 milk jug cleans per jar.

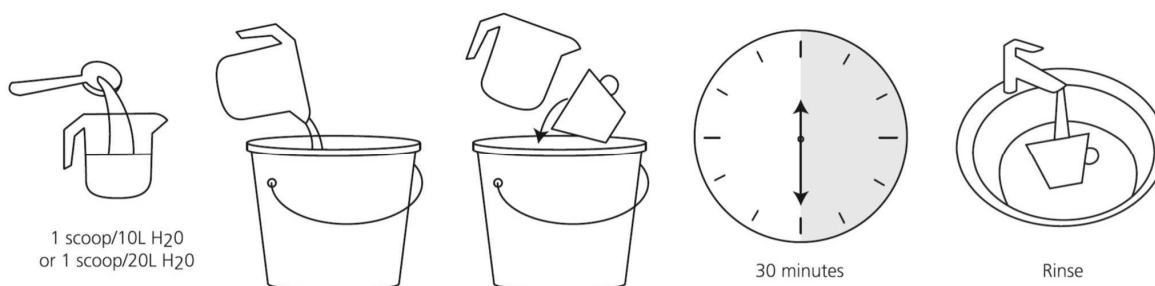

Note: If milk jugs have built up milk stone residue it may require an initial descale with **Cafetto® Restore, LOD Green** or **Coffee Machine Descaling Tablets**. Then use Inverso regularly to maintain jugs in pristine condition.

AVAILABLE IN

Product	Type of unit pack	Product weight	# doses per unit	# of units per carton	# of doses per carton	Product code/ individual	Product code/ carton
Inverso	Jar	750g	37	12	444	E29888	E29916

INSTRUCTIONS

- Soak jugs or crockery in sink or bucket using 1 scoop per 10 litres of warm to hot water if soiling is heavy; or 1 scoop per 20 litres if lightly soiled. If de-staining only the inside of the jug use 1 heaped teaspoon in hot water.
- Soak for 30 minutes, then rinse with clean water.
