Ca-Mo – Madrid

MADRID is a slightly corrected semi-aniline leather with a nice soft grif. The leather is printed at the beginning of production, which gives a nice and uniform picture of grain without seeming artificial.

Chrome tanned - produced without the use of PCP and CFC which is harmful to the environment.

Raw material: Grain leather from overseas hides where hump holes and brand marks occur.

Please note that the shown colors and grain are only guiding. Differences from the photos to the actual hide may occur.

Available in 10 colours. Choose your colour [here](#).

Winter – Decovin Nappa
