

## ACCENT TABLE

---

The Mater Accent Table is designed by the Danish architect duo Space Copenhagen and combines a sculptural and handcrafted aesthetic. Following along the same bloodline as the highly successful 2009 Mater High Stool, the Accent collection consists of three coffee tables, a larger oval lounge table and round dining table. The various sizes allow for creativity and flexibility in configuration, and creating different atmospheres for both home and public spaces. Crafted in solid FSC certified oak and available in two stains; a sirka grey or a white matte lacquer.

### CARE AND MAINTENANCE

In case of any spill clean immediately with a damp cloth. Wipe dry with a dry, soft cloth in the direction of the wood grain. Should not be treated with soap or other cleaning agents as it could cause damaging of the lacquered wood, unless recommended by professional.

We always recommend to use coasters under hot objects, such as coffee pots and cups. Protect the product from direct sunlight, excessive heat and sharp objects.
