

# Mingus

DESIGNED BY CECILIE MANZ

LIGHT  
YEARS

The beautiful Mingus pendants are designed by Cecilie Manz. The form is organic even if it originates in four straight facets. The lamp's top is flat and fitted with an acrylic fixture that allows light to seep out. Mingus is manufactured in aluminium and lacquered in six matt nuances. In addition to pure white, there are five other tones: blue-black, neutral grey, dusty moss green, a light green tone resembling celadon green and an off-white nuance a bit reminiscent of limestone. Mingus provides a pleasant, direct light. The depth of the shade prevents glare.
