

ACCENT DINING TABLE

The Mater Accent Dining Table is designed by the Danish architect duo Space Copenhagen and combines a sculptural and handcrafted aesthetic. Following along the same bloodline as the highly successful 2009 Mater High Stool, the Accent collection consists of three coffee tables, a larger oval lounge table, a three legged café table and two sizes round dining tables. Crafted in solid FSC certified oak with a sirka grey stain or a white matte lacquer.

CARE AND MAINTENANCE

In case of any spill clean immediately with a damp cloth. Wipe dry with a dry, soft cloth in the direction of the wood grain. Should not be treated with soap or other cleaning agents as it could cause damaging of the lacquered wood, unless recommended by professional.

We always recommend to use coasters under hot objects, such as coffee pots and cups. Protect the product from direct sunlight, excessive heat and sharp objects.
