

NERD BAR STOOL

FURNITURE / LIGHTING / ACCESSORIES

DAVID GECKELER ON THE DESIGN "The Danish simplicity and the iconic expression are combined with a classic perception of a solid bar stool. The shape of Nerd barstool invites the user to sit on the stool from several angles, helped by the soft, curvy plywood shell. The low backrest of the bar stool gives a pleasant support and comfort."

PRODUCT FACT SHEET

PROCESS Veneer is form-pressed into shape for the back and seat, and then glued together with the solid wood legs. Then lacquered.

DESIGNED BY / YEAR OF DESIGN David Geckeler / 2013

TYPE Bar Stool

DESCRIPTION A modern and distinct all-wood bar stool, for private and professional interiors. A part of the iconic Muuto award winning Nerd chair family.

ENVIRONMENT Indoor

MATERIAL Lacquered ash or oak wood, felt pads. Wood is PU lacquered.

SPARE PARTS Comes with standard glides. Protective footrest cover available for both sizes of the nerd barstool.

TESTS & CERTIFICATIONS The Danish Technological Institute - EN 16139:2013 L1. Tested to withstand level 2: Extreme use. Tested to withstand use in areas where the furniture is occasionally subject to extremely high loads. i.e. Night clubs, railway stations, transport terminals.

The Möbelfakta certification is based on three parts: quality, environment, and social responsibility. This means that every stage of manufacturing is green, meeting established international technical standards, while also guaranteeing that all stakeholders in the production chain comply with the United Nations Global Compact.

CLEANING INSTRUCTIONS Use moist cloth first, then dry cloth.

ABOUT THE DESIGNER David Geckler studied industrial design in Berlin and Copenhagen. Currently, he is exploring the wider area of industrial design, focusing on furniture, interior, tableware & lighting. His chair design "Nerd" was honored by Becker International Design Award 2011 and is the winner of Muuto Talent Award 2012.
