MEMBER OF THE FAGERHULT GROUP

In 2009, design studio Form Us With Love created the luminaire called Ogle. There was a gap in the market for pendant spotlights that could be easily adjusted to direct the light. "We wanted a lamp that looks good by itself but also among a group of lamps." Since the lamp has the functionality of a spotlight, we wanted it to complement furniture and other lighting in an interior setting. We also wanted to be able to place a number of lamps together without them dominating the room," says John Löfgren from Form us with Love.

“We wanted a lamp that looks good by itself but also among a group of lamps.”

Technical information

Ogle

Material	Injection-moulded shade in polycarbonate. Reflector in white powder-coated pressed aluminium.
Assembly	Ceiling: Mounted on 3-phase rail or FixPoint fitting. Pendant: Suspended from cable, length 1.75 m.
Connection	Ceiling: 3-phase multi-adapter included in luminaire. Pendant: Terminal block 2x2.5 mm ² and lamp plug. Halogen free cable. Floor: Feed cable 2x0.75 mm ² with plug, length 3 m.
Standard finish	Soft lacquer in black or white.
Light source	Master LED is dimmable. Not included.

Design by Form Us With Love.

Description	ØxH (mm)	Light source	Socket	Art.no.	Colour	
Ceiling	150x258	Max. 8W	GU10	201514	Black
