Care-instructions

Cashmere is known as one of the most luxurious, sophisticated, expensive natural materials worldwide. And for good reason. The yarn is carefully spun from the fiber that comes from the fine, downy wool at the roots of the rare Kashmir goats hair.

100% Cashmere woven into a 130x180 cm throw with a subtle herringbone pattern. Finished with delicate fringes and our leather logo in the front corner. 130x180 cm. Available in 3 natural colors. Made in Europe.
