Comfort Zone is our bamboo-baby. The hand tufted rug is composed of a combination between bamboo yarn and fine wool. Because of its natural elasticity, the wool gives the rug a resilient body, while the bamboo fibre gives the rug an incredibly soft and comfortable touch. Available in 5 natural colors. Each rug is handtufted, made to measure. And we are proud to tell you that we can make any shape or size that you desire.

Bamboo is a very environmentally friendly product. Due to the fact that it's completely biodegradable. It is easily renewable. Bamboo doesn't need much to grow, yet is one of the fastest growing grasses on the planet, meaning it can be harvested more often without risking deforestation. All of these and a number of other astonishing qualities that bamboo possesses make for the material to be very ecologically responsible. On top of that, bamboo is a non-toxic material and doesn't cause any allergies whatsoever.

CARE INSTRUCTIONS

- We advise you to **vacuum** the rug once or twice a week with a normal (upright or cylinder) vacuum cleaner but without the brush or beater bar engaged. Rugs with a high pile need to be vacuumed even more often.
- Do not use a vacuum cleaner with a rotating brush, this will damage the yarn.
- Rugs made from natural materials are subject to some **pilling** during the first few months. This is a common characteristic of natural cut fibers and will disappear after 3 or 4 months of normal use.
- A dry environment can result in extra pilling of the yarn. A **humidity** between 50-70% will benefit the lifecycle of your rug.
- In order to avoid '**regular use marks**', we advise you to turn the rug every once in a while.
- In case of stains or transferred dirt, we advise you to always have your rug cleaned by a specialist in rug cleaning. The rug needs to be cleaned without water.
- **Wet stains** need to be removed immediately, before the yarn absorbs the fluid. Absorb the stain using a strong absorbing paper (like kitchen paper). Do not, in any case, rub or put pressure on the rug when wet. This can damage the fibers and the structure of the rug.

WARRANTY

- Frankly Amsterdam **guarantees** its rugs for 2 years of normal use.
