Colour Me is an exceptionally simple beauty. The rug is hand tufted with our exclusive thick Eucalyptus yarn on a pile height of 16 mm, giving it a rugged, spirited, look. It can be produced in seemingly endless amounts of colors. The depth in any one of these colors makes this incredible rug profoundly vibrant and vivid. In addition to the 8 colors in our standard collection, we can provide you with 51 other colors to choose from! The rugs are handmade to measure, in any shape, size, height or color you desire.

It is no coincidence that we use our Eucalyptus yarn so often. This material has so many incredible qualities and advantages! It is strong, soft, shiny, sustainable, long-lasting and it really takes care of every skin that it touches.

CARE INSTRUCTIONS

- We advise you to **vacuum** the rug once or twice a week with a normal (upright or cylinder) vacuum cleaner but without the brush or beater bar engaged. Rugs with a high pile need to be vacuumed even more often.
- Do not use a vacuumer with a rotating brush, this will damage the yarn.
- Rugs made from natural materials are subject to some **pilling** during the first few months. This is a common characteristic of natural cut fibers and will disappear after 3 or 4 months of normal use.
- A dry environment can result in extra pilling of the yarn. A **humidity** between 50-70% will benefit the lifecycle of your rug.
- In order to avoid '**regular use marks**', we advise you to turn the rug every once in a while.
- **Wet stains** need to be removed immediately, before the yarn absorbs the fluid. Absorb the stain using a strong absorbing paper (like kitchen paper). Do not, in any case, rub or put pressure on the rug when wet. This can damage the fibers and the structure of the rug.
- **Light stains** can safely be treated with JAMES cleaning agents, which have been successfully tested on our products. Please follow the instructions of the JAMES staindisc, also shown on our site. We can not guarantee safe use of cleaning agents by any other brand, since they have not been tested.

- Please do not use highly acidic cleaning agents to remove stains from your rug. This will cause discoloration of the yarn.
- In case of **heavy staining** or transferred dirt, we advise you to always have your rug drycleaned by a specialist in rug cleaning. Please state clearly that this rug needs to be cleaned without using water.
- When in **doubt**, please don't hesitate to contact us, or take a look on our website, www.frankly.amsterdam/careinstructions, for more information.

WARRANTY

- Frankly Amsterdam **guarantees** its rugs for 2 years of normal use.
- All our products are made with care. In case a **manufacturing defect** escaped our attention, please inform us within 14 days after delivery and leave the product unused.
- Small differences or **irregularities** in color, weft or size may occur. This is inherent to the use of natural fibers and has to be accepted when within normal commercial tolerances.
- Frankly Amsterdam will not accept any complaint if shading is concerned.
