Infrared LEDs for low light conditions and night vision

## Body Camera | DrivePro™ Body 10

Day or night, Transcend's DrivePro Body 10 is the best companion for police officers, security guards and other professionals. The camera's wide 160° viewing angle, F2.8 aperture lens and Full HD 1080P recordings ensure all the important details are clearly recorded. The infrared LEDs will be automatically turned on in low light conditions, allowing recording and snapshot taking at night. The DrivePro Body 10 also features a built-in battery and excellent water and shock resistance, ideal for indoor and outdoor use.

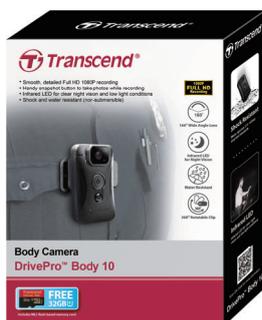

Firmly attached with 360° Rotatable Clip

Excellent Water and Shock Resistant

- Handy snapshot button to take photos while recording
- F2.8 aperture and 160° viewing angle for clear and smooth 1080P recordings
- Free download of DrivePro Body Toolbox for Windows
- Free 32GB microSDHC MLC memory card included
