

THEME MOBY DOCUMENTATION

CREATED BY JUNOTHEMES.

ABOUT THE THEME

Moby Theme is a great Responsive Template for Electronics, Digital, Hi-tech, Mobile, Computer and Television products, etc. It was developed with the latest in web technology such as Font Awesome 4, CSS3, HTML5 and it is full of essential features for your business. This theme is fully responsive and will display perfectly on all electronic devices. The theme is easy to customize: you can change fonts, colors, header and footer types, logos and site content on your website easily, without coding knowledge.

USING SETTINGS IN MULTIPLE LANGUAGES

In developing Theme Moby we have taken multiple languages into account. Custom translations are easily manageable in the back office via “**Content > Translations**”. For questions about settings with multiple languages you can send an email to: support@junothemes.com

CONTACT

Custom adjustments: info@junothemes.com

Questions about the theme: support@junothemes.com

MORE FEATURES

For all settings below, please go to Design -> Theme Settings. Here are all settings you can customize yourself for your website.
