

presstissimo wing

MADE IN EU design by KD

IT presstissimo wing nasce dalla combinazione geniale tra l'acrilico bisatinato color ghiaccio e la nostra base ultrasottile presstissimo. questo sistema di presentazione elegante e stabile è disponibile in versione pura senza accessori, nella variante con tasca portainformazioni pixquick e, come terza opzione, nella versione con portaprospetti.

DE presstissimo wing ist die clevere kombination aus hochwertigem, satiniertem acrylglas in frostopptik und unserer eleganten und extraflachen basis presstissimo. das elegante und stabile präsentationssystem gibt es in verschiedenen varianten: entweder pur, für ihre individuelle gestaltung, oder bereits bestückt mit der rahmenlosen infotasche pixquick oder als prospekt- und flyerdisplay.

EN presstissimo wing combines a white frosted acrylic with our elegant and extra flat base presstissimo. the elegant and stable information display is available in different versions: pure without any accessories for your own customization, equipped with our frameless poster pocket pixquick or designed as information and brochure display.
