SLEEP APNEA THERAPY

Sleep apnea therapy
for the active lifestyle.

TRANSCEND®
Sleep Apnea Therapy SYSTEM

Transcend is changing the way sleep apnea therapy is delivered.™

Identical in size, each Transcend device is designed to fit your active lifestyle.

Transcend AUTO™

Transcend Auto is a fully-featured APAP that continually monitors your breathing to adapt to your changing therapy needs. Transcend EZEX technology provides pressure relief on exhalation for more breathing comfort.

Transcend EZEX™

Transcend EZEX is a fully featured fixed-pressure CPAP with EZEX exhalation pressure relief technology for added comfort.

Transcend®

Transcend is a fully featured fixed-pressure CPAP. This original CPAP is the pioneer in portable sleep apnea therapy. At home or on the road, Transcend is designed to enhance the lifestyles of today's active CPAP users.

Small size, big features for therapy anywhere.

Transcend's fully-featured therapy devices are small, lightweight and portable. They are perfect for packing into a suitcase or taking up minimal space on the night stand.
