

VINCENT SHEPPARD

OUTDOOR COLLECTION 2018

“No memory will be sweeter than that of
a shared moment outdoors.”

VINCENT SHEPPARD

#OUTDOOR COLLECTION 2018

We are convinced that shared moments outdoors are the ones that will last a lifetime. Be it playing with your kids in the garden, a relaxing afternoon on a cosy terrace, or some lovely days in a beautiful hotel, the hours and days spent outside will be amongst your most precious moments. That is why Vincent Sheppard created an outdoor collection to accommodate those moments of happiness. With great seating comfort, high quality, and durability at the basis of each and every one of our designs, we try to create beautiful and unique pieces of furniture that will make your outdoor space just that little bit better. We offer an all-weather collection in synthetic materials that can be left outside all year long, as well as a range of outdoor Lloyd Loom products, that allow you to bring the distinct look of Lloyd Loom furniture outside. In this catalogue, we hope you will find tons of inspiration, and some rays of sunshine. Enjoy!

WICKED_{COLLECTION}

If you're looking for a jaw-dropping design and great outdoor comfort, the Wicked collection has it all. The collection was designed by Brussels-based designer Alain Gilles. By creating an unexpectedly light and airy shape, Alain Gilles managed to shed a new light onto the traditional wicker furniture like we know it. Combining the warm wicker material with the cold but trendy steel frame, he aimed to create a discussion between craftwork on the one hand and industrial processes on the other. The collection consists of a lounge chair, a sofa, a coffee table and a side table. Rarely will you see such bold, graphic lines and strong design in outdoor furniture.

LEO_{COLLECTION}

Afternoon tea, a deliciously refreshing cocktail, or even a relaxing lunch in the summer sun: the Leo collection is fit for any occasion. The comfortable seating of the tub chair, the laid-back shape of the sofa, and the playful weaving that is used throughout the entire collection, turn it into a real eye catcher. Leo combines a strong design with amazing seating comfort, perfect for lazy summer afternoons. Sit back, relax, and let Leo do the rest!

LOOP_{COLLECTION}

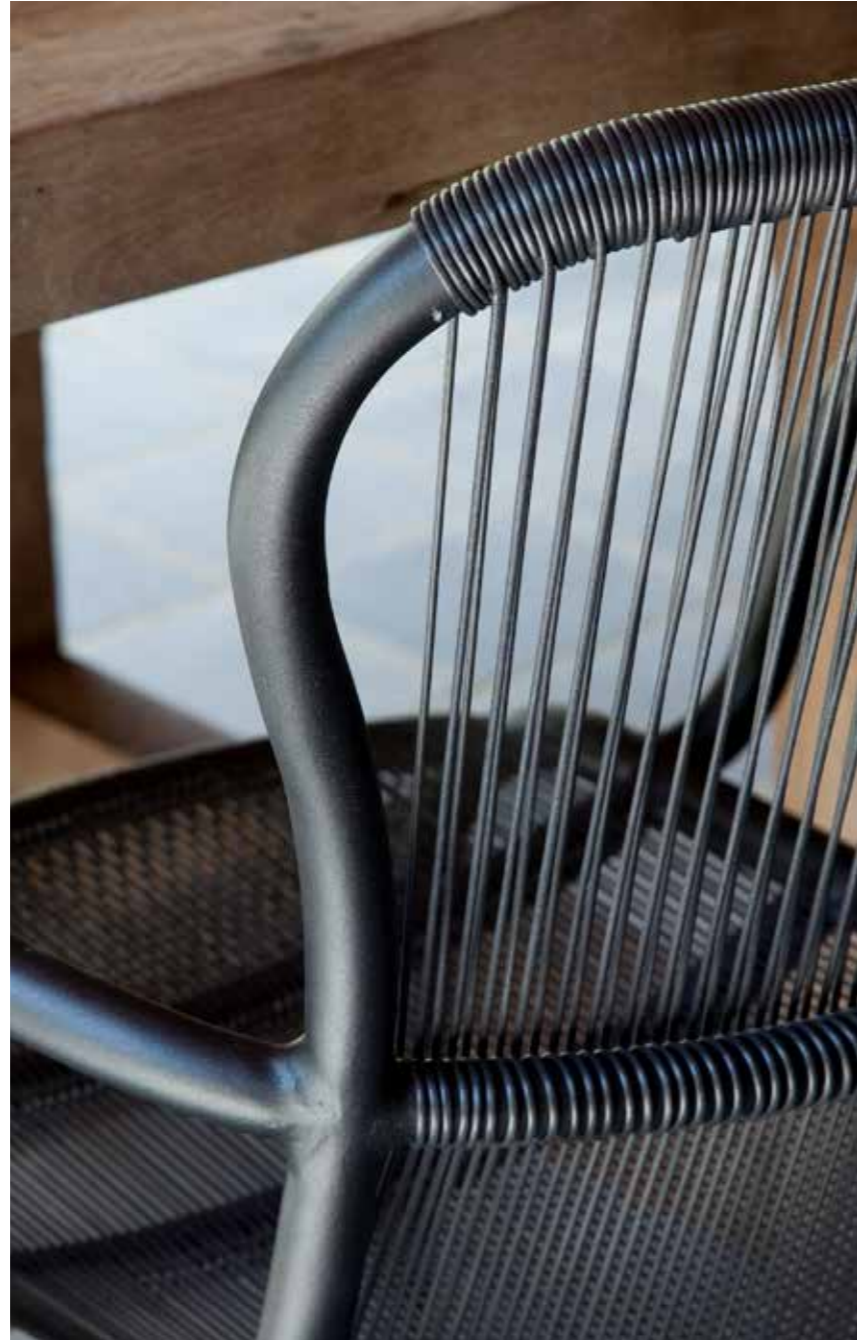

An attractive design and amazing functionality: Loop combines the best of both worlds! The Loop collection is light to handle and to move around, allowing you to follow the sun in this comfortable outdoor chair. The fact that the chairs are stackable, makes this collection even more flexible. The design gives a light and airy look to a veranda or terrace and is also unbelievably comfortable – air can circulate through the tautly strung construction. The Loop range consists of a dining chair, lounge chair, footrest, coffee table, side table, sofa and chaise longue. Simplicity with a modern edge!

GIPSY_{COLLECTION}

No summer without Gipsy! This collection includes the Edgard, Lena and Gipsy dining chairs as well as the Gipsy bar stool, cocoon and lounger. These reinterpreted design classics bring indoor luxury outside. The comfortable resin weave looks very similar to actual Lloyd Loom, whilst offering all advantages of a synthetic material, 100% fit for outdoor use all year round. Make yourself comfortable, and enjoy your outdoor space!

ROY_{COLLECTION}

Your terrace will appear more contemporary than ever with Roy, Roxy and Roxanne. This collection combines nostalgic design with innovative materials, giving your outdoor space a strong, graphic twist. It consists of dining chairs, lounge chairs and a relaxing spacious tub chair. In these unique shells, you can really savour the enjoyment of outdoor life, while adding a true design statement to your garden.

Ivo_{COLLECTION}

Inspired by the shape of rattan, the Ivo collection is one of those designs that translate indoor coziness to outdoor furniture. The round silhouette of the Ivo tables brings a soft yet playful touch to your outdoor space. Thanks to the sturdy material, you'll be able to enjoy these beautiful tables for years and years to come.

LUCY_{COLLECTION}

Lucy will inject your terrace and garden with charm and comfort. The soft, flowing round shapes of these chairs invite you to relax in the sun. This collection dives into the seventies, but combines its retro look with all the comfort of today. Offering dining chairs, lounge chairs, a sun lounger, side tables, a footrest, and even a modular sofa system to create your own perfect lounge corner, the Lucy collection has everything to make your outdoor dreams come true!

SAFI_{COLLECTION}

Safi means timeless outdoor pleasure. This elaborate collection is based on pure craftsmanship. The handwoven furniture gives your terrace a royal comfort and adapts with a natural style to each environment. It's safe to say that this collection will be an upgrade for any rustic outdoor space.

OUTDOOR LLOYD LOOM_{COLLECTION}

The famous Lloyd Loom-weave is a combination of steel and paper, its origins going back to the United States of the beginning of the 20th Century. Lloyd Loom is extremely strong, and at the same time very pleasant to touch and easy to maintain by simply wiping it down with a cloth.

Vincent Sheppard has taken this unique material to the next level and created an outdoor collection with it. The incredibly strong and flexible material is coated with latex to enable the furniture to be used outdoors. No need to put your favourite outdoor chairs inside after enjoying a nice summer day, though it is preferable to keep it indoors during cold and rainy conditions.

OUTDOOR RESIN_{OVERVIEW}

The Vincent Sheppard Outdoor Resin collection is made of polyethylene fibre and a weather resistant frame.

The resin collection can be left outside throughout the whole year, come rain or shine!

SPECIAL PERFORMANCES

- UV and weather resistant
- Insensitive to temperature differences (-25°C > 70°C)
- Non-toxic & recyclable
- Fungus free

MAINTENANCE

A quick wash with a non-foaming mild detergent every three months, will do the trick. A soft nylon brush or a low pressure air hose can also be used to clean between the weaving.
